The fall of the scaffolding is attributed to improper construction.

The deceased was a quiet, hardworking man, and one much respected by his acquaintances.

LAUNCH OF A FINE STRAMBOAT. -- Yes terday afternoon Messrs, Wilson, Dun-levy & Co. launched from their boat yard in this city the fine new packet boat building for the Northern Packet Line. The launch was highly successful. It came off about two o'clock, and rol. It came off about two o'clock, and was witnessed by a large number of persons. When the order was given to cut loose the last stay, a few strokes of this State, was in the city yesterday. He is ar roate from Washington city to the axe finished the work, and the boat the kanawha region.

work on her will be finished just

The work on her will be finished just as specifiy as possible—perhaps by the first of March. Messrs. Haines & Beam are building the cabin, and Messrs. Sweeneys & Co. are to put in the machinery. Capt. R. C. Gray has been superintending her construction for the company. She will be placed in the St. Louis and St. Paul trade just as soon as finished. It has not been decided yet what name shall be given her.

BADLY LIGHTED STREETS.—The present arrangement in regard to lighting our streets at night is remarkably unsatisfactory. Frequently heretofore mention has been made through the papers of this matter, and a reformation and Monroe sts. stance, we may mention. The fore part of the night the moon was shining the moon had disappeared, it was remarkably dark, and those who were markably dark, and those who were compelled to be out (and they are not a few in our city) were lost in the darkness. We hope some arrangement will be made by which this trouble will be done away with. Every night that is in whole or in part dark, the lamps should be lighted, if it be only for an hour. In addition to this trouble about the lamps not being lighted at dark times, there is another matter of which we wish to speak. We have not half enough lamps on our streets. The enough lamps on our streets. The enough lamps on our streets. The some parts of our city we have no lamps at all, and where we have them the number ought to be doubled. We should like to see this matter attended to by our city fathers, just as soon as possible.

Mr. Chris. Young, a well known steamboatmen, has been engaged as clerk of the Phil. Sheridan. With Capt. Charliy Muhleman in command, and Mr. Young in the office, the new boat will be well provided for.

In another column will be found an account of the launch of the new boat yesterday at the yard of Mesars. Wilson, Dunlevy & Co., Capt. R. C. Gray, of the Northern Packet Line, left here yesterday for St. Louis.

WHITE LING

Louis.

Messrs. Booth, Battelle & Co. have

areases, Booth, Battelle & Co, have purchased from our enterprising friend, Mr. Jesse B. Mellor, one of Knabe's inest planes for their new steamer, Phil. Sheridan. This is a deserved patronage of a worthy Wbeeling merchant, as well as an evidence of true taste in the matter of fruiteness. the matter of furniture on the part of Messrs. B., B. & Co. A FEMALE SHARPER.-For several days past a woman has been going

about our streets soliciting the loan of sums of money for the purpose, as she represented, of assisting her to proceed to some point to obtain some money BOOTS AND SHOES to some point to obtain some money due her. At one place she said the money was in Pittsburgh, at another she said it was in Steubenville, and again at others she said it was in Parkersburgh. She is evidently a sharper, if not worse, and we advise our readers to be on the look out for her. Her rascality is only equalled by her boldness—and both are refreshing.

NEW BOOKS,-We have on our table three new books, from Messrs, J. E. Tilton & Co., publishers, Boston. The title of the first is "Golden Hair, a Tale of the Pilgrim Fathers;" that of the of the Pilgrim Fathers;" that of the second is "The Cruise of the Frolic," and of the third "Antony Waymouth, or the Gentlemen Adventurers." We have not had time yetto fully examine these works, but from what we have read of them, and from what our exchanges say about them, we think we are justifiable in expressing the opinion that they will afford fine reading. Copies can be had at the book store of Messrs. J. C. Orr & Co., in this city.

THROWN FROM A BUGGY,-Yesterday about noon Mr. Henry C. Harbour, of our city, was thrown from a buggy and very severely injured. He had been out driving, and, on his return, man ocon out driving, and, on his return, was nearly at his door, when a sudden lurch of the carriage threw him out ever the wheel. Iighting on his head, He was picked up and carried into the house insensible. He was very badly stunned, but soon came to, when it was found that his injuries, though severe, were not dangerous, and he will soon, it is hoped, be about again.

ARTEMUS WARD COMING .- We are pleased to announce to our readers that the [renowned "A. Ward" will be with us on Saturday evening next. Ward's us on Saturday evening next. Ward's reputation is as wide as the land, and any attempt of ours to sound his praise is but a waste of time. He will speak for himself, and will of course be as usually entertaining. His experience among the Mormons will be the subject of his discourse here. Read his advertisement.

A PLEASANT PARTY, - Day before yes terday a pleasant party left our city for Barnesville, to attend an entertainment in that place on Tuesday evening. They returned yesterday, having had a pleasant time. Mr. Cocayne's cotillion band furnished the music.

A LETTER,-Some fellow, who affixes "Esq." to his signature, writes us abusing us roundly for our mention of the recent arrest of a couple of Ohio counterfeiters. We expect this "Esq." is one of the same kidney, who desires to cover up short comings.

Personal.,-Lieut. Col. G. W. Tag-gart, formerly of the 14th W. Va. Vol. Infantry, deputy sheriff of Wood county, this State, was stopping at the Grant House yesterday.

THE POLICE COURT.—There was no police court again yesterday-there being no cases to try. We thought it would be just like the bad folks, for them to go and behave themselves when Indian Goode went away.

WEATHER.-Yesterday was another ovely day. The sun shown brightly, and all day the streets were lined with promenaders who seemed disposed to get one more farewell benefit of the

smoothly as it could possibly have been done. When once in the river she sat the water nicely, drawing only fourteen inches of water, and bearing herself as easily as one should desire.

The boat is 202 feet long, 34 feet beam, and 5½ feet hold. She will have 18 inch cylinders, with 7 feet of a stroke—three double flued boilers, 26 feet long by 40 inches in diameter.

TAXES PAID.—On yesterday Mr. F. Heermanns, Sheriff of Preston county, this State, paid into the State Treasury the sum of \$11,800, being the amount of ayear.

BUSINESS NOTICES.

COMMON SENSE.—We recommend the Hourhound Balsam as equal in merit to any preparation in the market for Coughs, Hoarseness, &c. It does not constipate the bowls. It does not debilitate. It is pleasant, safe and effectual.
